

# An electrifying new generation of Transporter

Now open for order

Commercial  
Vehicles

## The icon, evolved

The new Transporter improves on its award-winning predecessors in every way that matters.

Functionally, it delivers a larger load compartment and heavier payload – making light work of substantial loads without compromising on manoeuvrability.

A larger cabin and new digital cockpit make for a more comfortable driving experience. But its headline features are a new range of powertrains featuring plug-in hybrid (eHybrid) and all-electric (e-Transporter) options.

The image shows the interior of a van's cargo compartment with the rear doors open. The floor is a dark grey, textured material with several vertical ridges. The walls are a light olive green color. The text is overlaid on the upper part of the image.

# Bigger loads, better performance

A more spacious load compartment, higher maximum payload, and increased towing capacity mean the new Transporter is ready to do some serious work.

The newly increased length makes it easy to stow Euro Pallets.

---

Increased load compartment of **5.8 m<sup>3</sup>** (**6.8 m<sup>3</sup>** on longer wheelbase model)

---

Up to **1.27 tonnes** maximum payload  
(for TDI models and up to 1 tonne for BEV models)\*

---

Towing capacity of up to **2.8 tonnes** (up to 2.3 tonnes for BEV)

---

**146 mm longer** than the Transporter 6.1

---

**61 mm longer** load compartment (base model) than the Transporter 6.1

---

**Interior can be customised** with partition walls to your needs

---

Choose between a tailgate or wide-opening wing doors

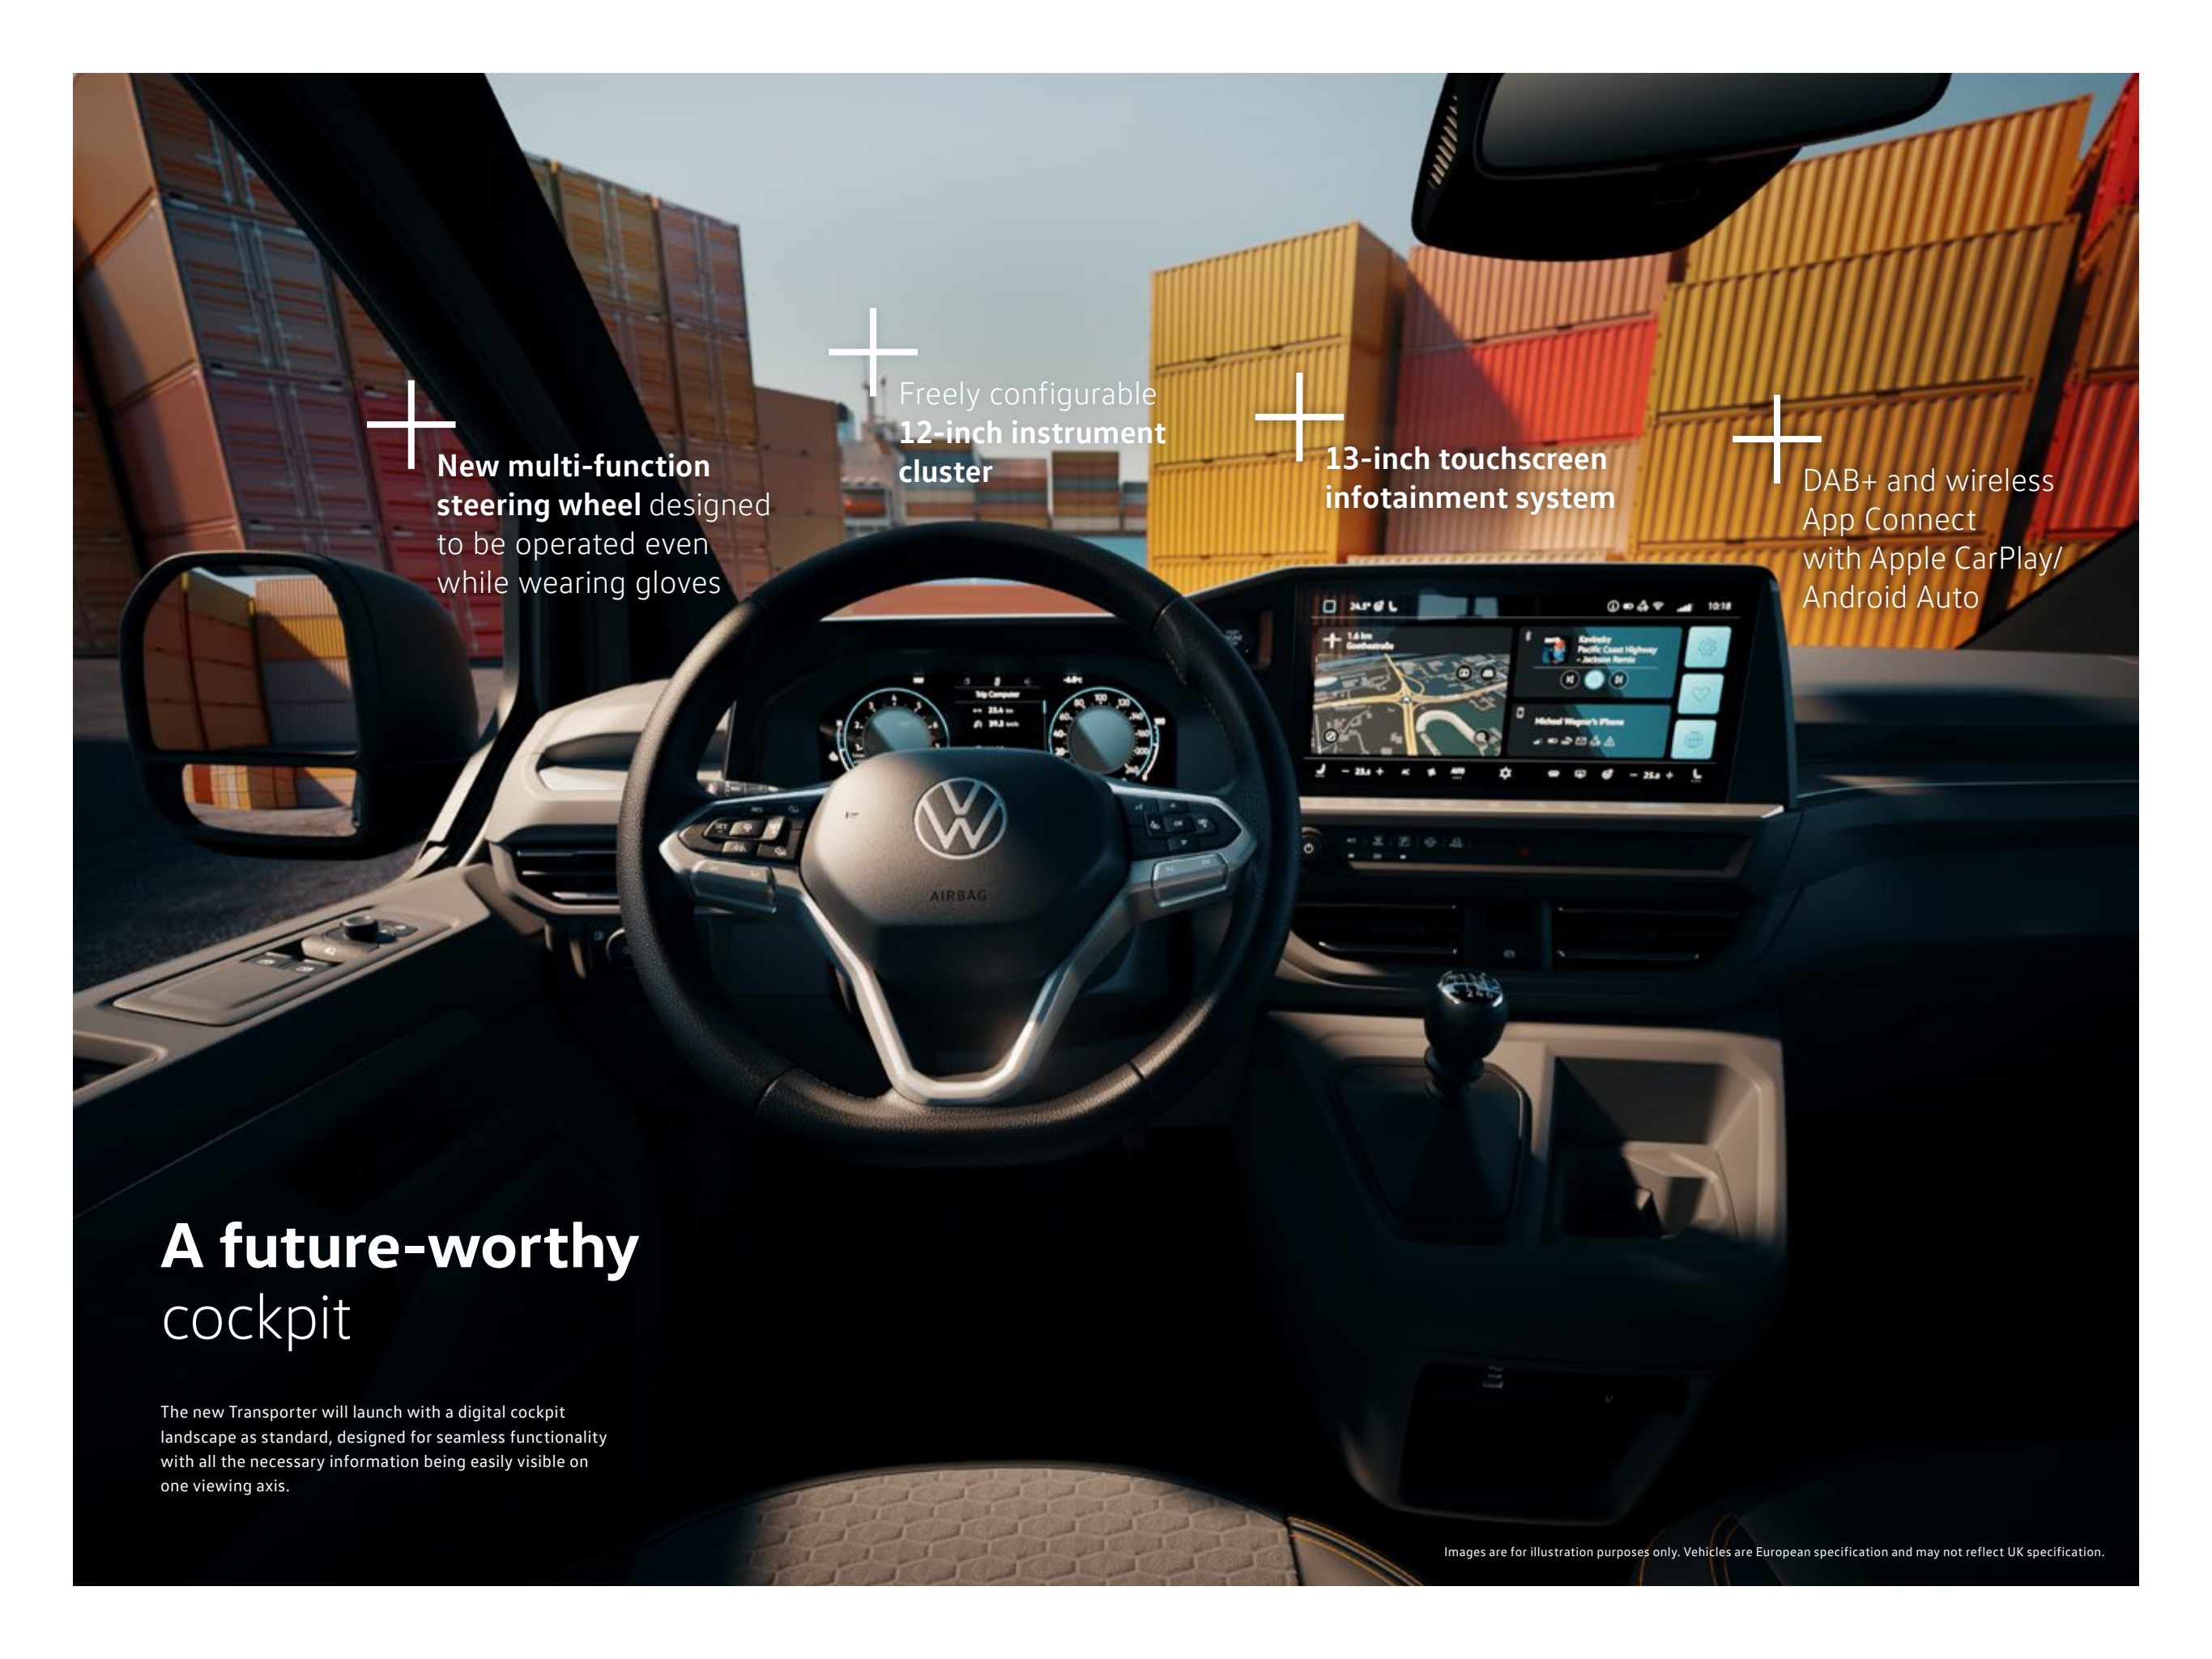

## Comfort reimagined

Every detail of the Transporter's interior has been improved to maximise spaciousness and functionality, in line with the ever-evolving Volkswagen standard for quality and comfort.

Stepping into the cabin of the Transporter feels both familiar and revolutionary. It exemplifies the ethos of the current range of Volkswagen Commercial Vehicles.

+ **New multi-function steering wheel** designed to be operated even while wearing gloves

+ **Freely configurable 12-inch instrument cluster**

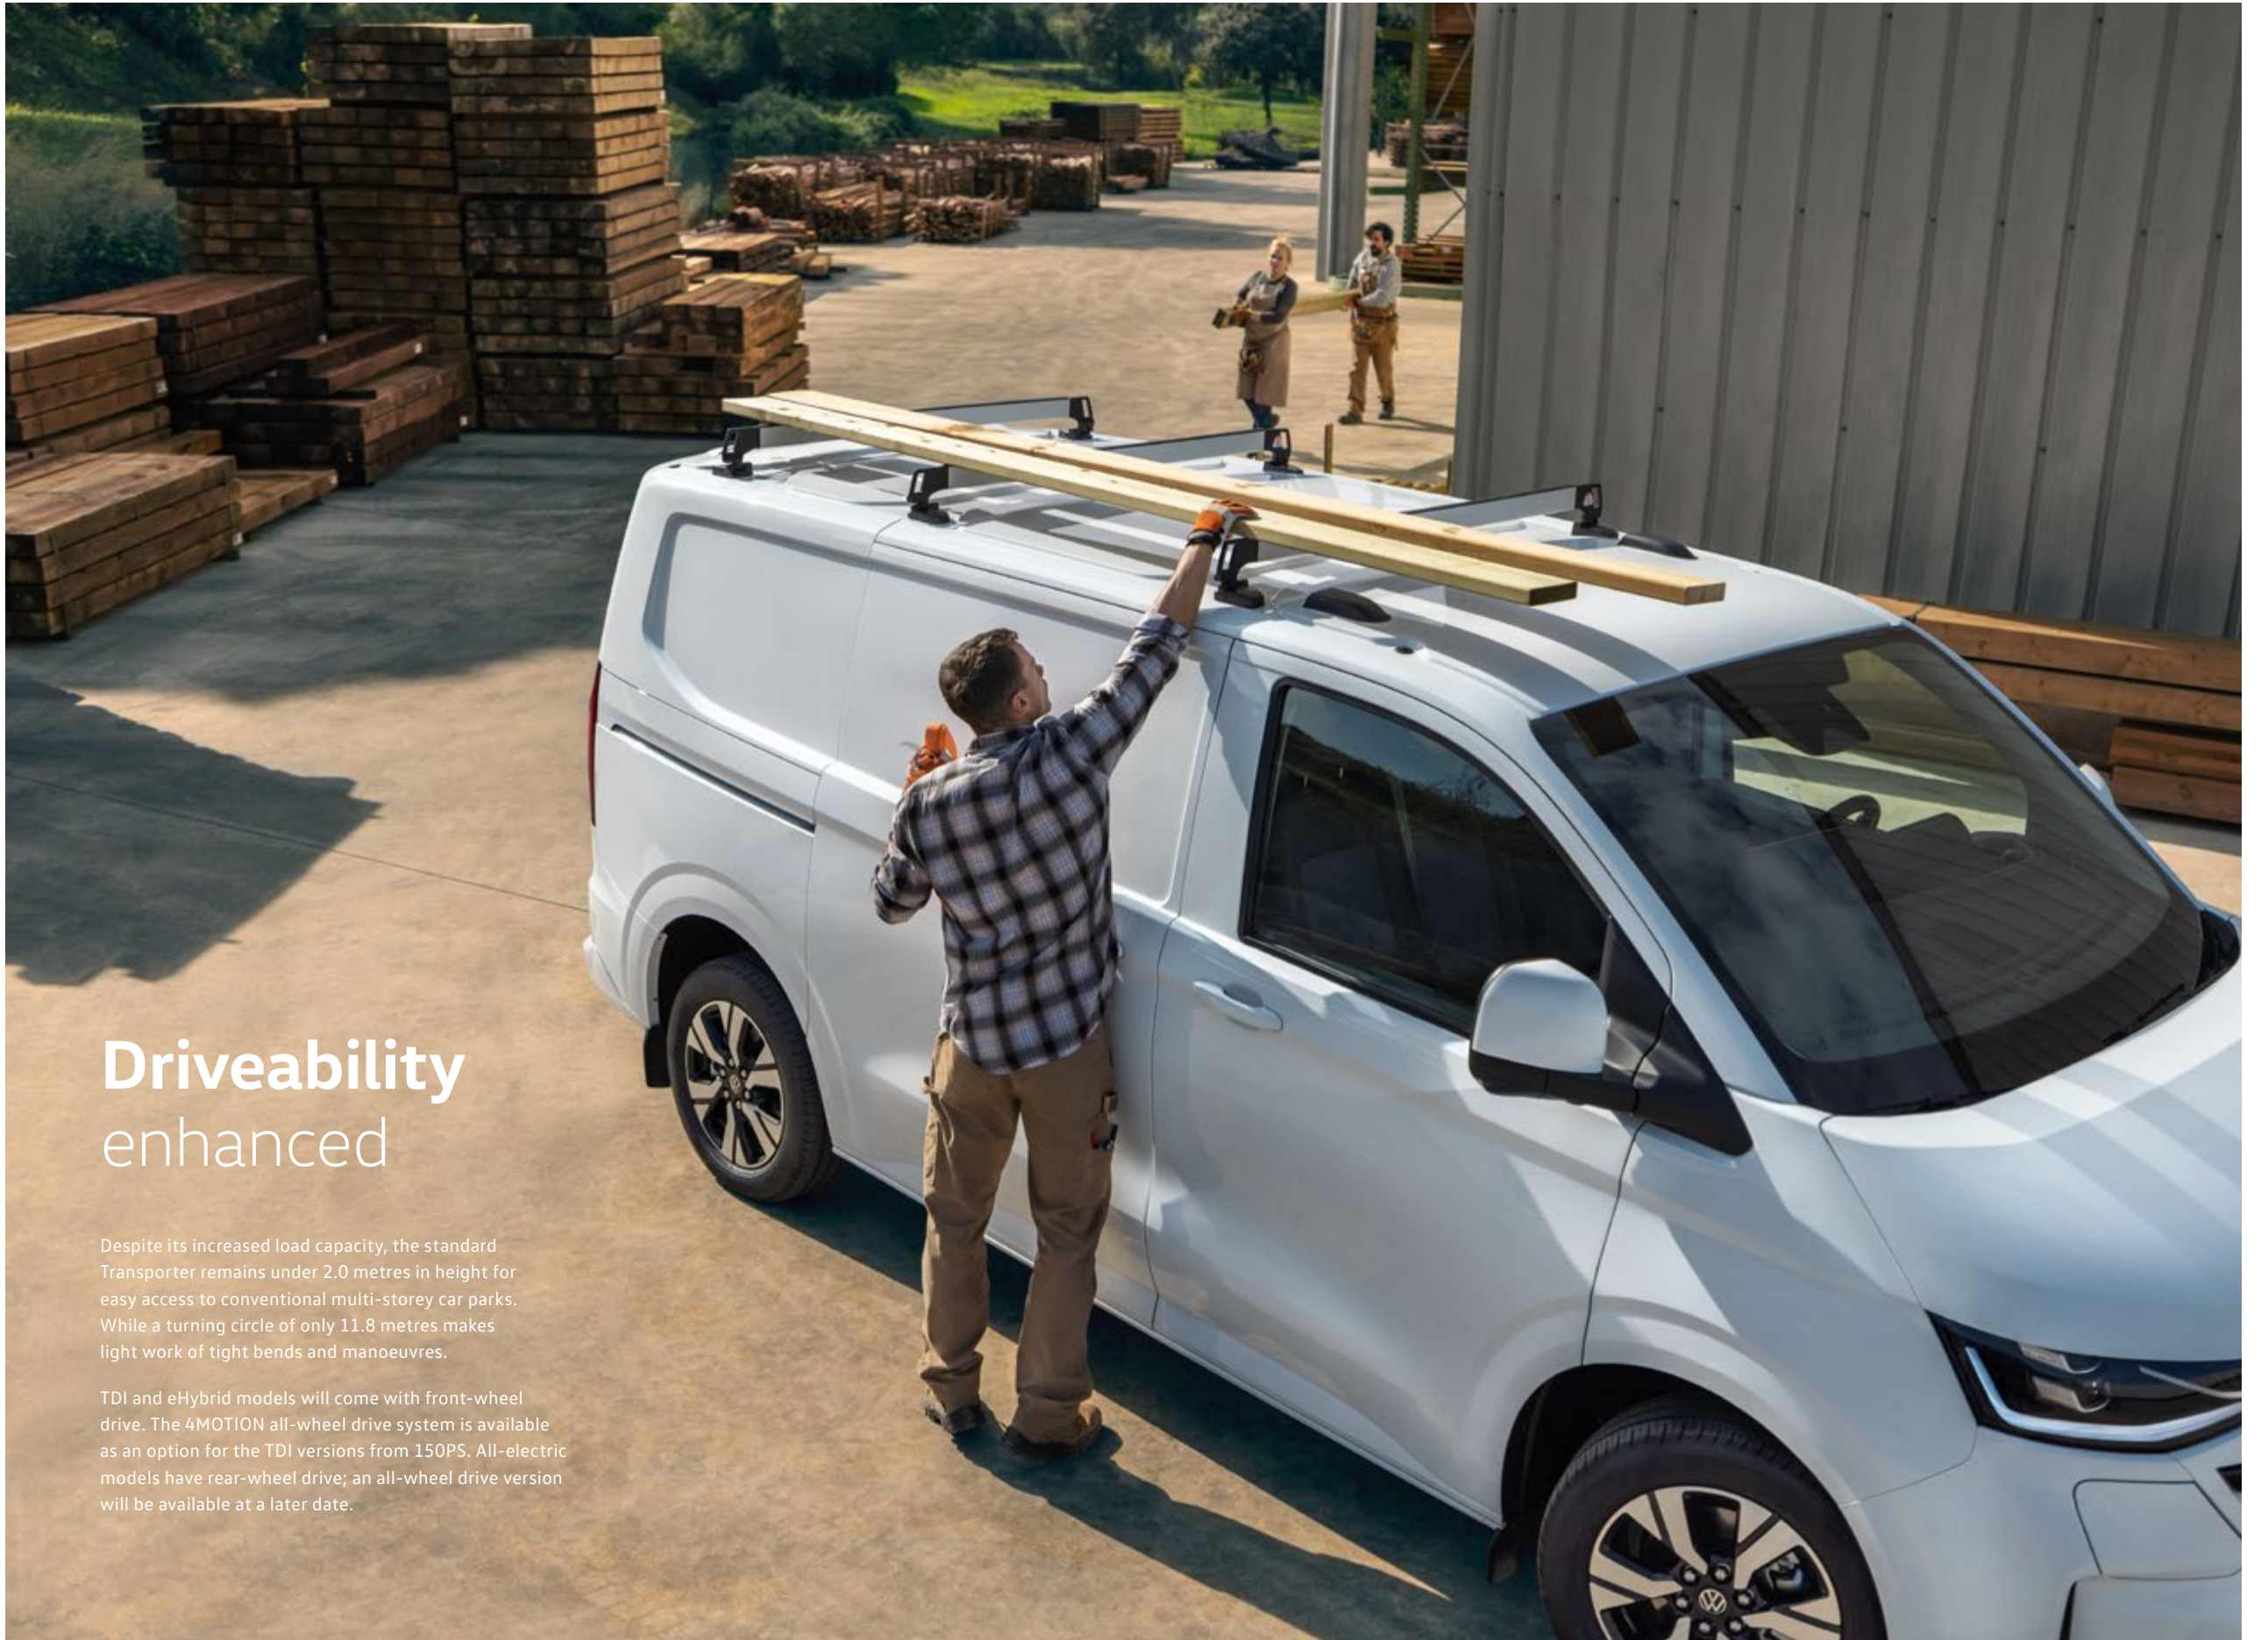

+ **13-inch touchscreen infotainment system**

+ **DAB+ and wireless App Connect with Apple CarPlay/Android Auto**

## A future-worthy cockpit

The new Transporter will launch with a digital cockpit landscape as standard, designed for seamless functionality with all the necessary information being easily visible on one viewing axis.

## Driveability enhanced

Despite its increased load capacity, the standard Transporter remains under 2.0 metres in height for easy access to conventional multi-storey car parks. While a turning circle of only 11.8 metres makes light work of tight bends and manoeuvres.

TDI and eHybrid models will come with front-wheel drive. The 4MOTION all-wheel drive system is available as an option for the TDI versions from 150PS. All-electric models have rear-wheel drive; an all-wheel drive version will be available at a later date.

# An innovative powertrain range

This generation of Transporters will be available in a wider range of drive options than ever before. For the first time, the Transporter will be available with your choice of plug-in hybrid (eHybrid), all-electric (e-Transporter), or turbodiesel (TDI) engine.

---

TDI output variants: 81 kW (110 PS), 110 kW (150 PS)  
and 125 kW (170 PS)

---

Plug-in hybrid: 171 kW (232 PS) (coming later in 2025)

---

All-electric drive variants: 100 kW (136 PS), 160 kW (218 PS)

---

# Charging forwards

Power your tools on the go with the option of a 230 V power hub (400 W), including a converter to power large electrical devices of all kinds. An inverter with an output of 2.3 kW will be available for the eHybrid and e-Transporter variants.

And keep your smartphone powered up too, with inductive charging via a stowage tray in the centre console. Further devices can be charged using up to seven USB-C, USB-A and 12-volt outlets.

# New Transporter Commerce TDI

Exterior features	Cab area	Cargo area	Safety and driver assistance
16" steel wheels 6.5J	2-seater bench and single drivers seat in cab	2 LED lights in roof of load compartment	Cruise control system with predictive speed limiter
Goodyear summer tires	2-seater bench with load-through system (with partition in panel van) and folding table (pulls out from middle seat)	Black plastic scuff plate for sliding door, not illuminated	Double-sound horn
Tire Mobility Set (12-V compressor and tire sealant)	4-way head restraints, adjustable in height and tilt	Lashing rings for reinforced floor covering	Driver and front passenger airbags with front passenger airbag deactivation
Mud flaps in front	Seat trim covers in striped fabric	Metal partition, high, without window includes load through function	eCall Emergency call system
LED headlights with separate LED daytime running lights	Two armrests for right seat in cab	Without floor covering in load compartment	Electronic engine immobilizer
High-beam control	6-way adjustable driver seat	<b>Infotainment and technology</b>	Electronic Stability Control (ESC)
LED rear combination lamps	Manually adjustable 2-way lumbar support for drivers seat	12-inch digital drivers display	Front collision warning with braking
Black grained add-on parts and body-colored radiator grille	Roof grab handles on driver side and front passenger side	13-inch touchscreen infotainment display with Wireless App Connect and DAB radio	Keyless Start without SAFELOCK
Black grained bumpers in front and rear	Black plastic scuff plate in front, not illuminated	Preparation "VW Connect" and "VW Connect Plus"	Lane Assist
High-gloss black exterior mirror housings and door handles	Multi-function steering wheel	5G modem	Rear parking sensors
Power-adjustable and separately heated exterior mirrors	Gear lever in plastic (for manual engines)	4 speakers (2x in dashboard, 2x in cab doors)	Dynamic Road Sign Display and wrong-way driver warning
Heat-reflecting side window glass	Single-zone air conditioning system with manual control in cab	2x 15-W USB data / charging ports in dashboard and 1x USB-C, 1x USB-A centre console	Driver and front passenger airbags with front passenger
Laminated windshield made of heat-reflecting glass	Interior lights for cab		Front and curtain airbags for driver and front passenger
Rear wing doors	Narrow centre console with cup holder and compartment for mobile phone		Seat belt pretensioner for the driver seat
Vehicle opening configuration 1 1x = 1st row of seats / 2x all doors	Overhead storage compartment		55L Fuel Tank
Sliding door on front passenger side	Rubber floor covering in cab		Alternator 230 A
Transporter nameplate on the rear, black grained decorative trim	Standard glove compartment		AGM vehicle battery and 2nd battery (under driver seat), both batteries with 80 Ah
			Preparation for alcohol ignition interlock
			5+ Promise*

\*For diesel and eHybrid models, covers first 5 consecutive services, limited to 5 x Oil & Inspection Service, 5 x Pollen filters, 3 x MOTs. For electric models, covers first 3 consecutive services, 3 x Pollen filters, 3 x MOTs. Additional work, including wear and tear, is excluded. Warranty: earlier of 5 years or 124,000 miles. Servicing must be carried out in line with the requirements of the service schedule and all servicing and warranty work must be carried out at a Volkswagen Commercial Vehicle Authorised Repairer. Warranty exclusions apply (including shorter warranty period for components subject to wear and tear, mechanical adjustments (6 months/6,500 miles) and windscreen (1 month/600 miles). Roadside assistance: excludes costs of parts, garage, labour or other costs in excess of specified limits. Other limitations & exclusions apply. See Roadside Assistance Handbook for full details [https://www.volkswagen-vans.co.uk/idhub/content/dam/onehub\\_nfz/importers/gb/downloads/roadside\\_assistance\\_handbook.pdf](https://www.volkswagen-vans.co.uk/idhub/content/dam/onehub_nfz/importers/gb/downloads/roadside_assistance_handbook.pdf). Servicing & MOTs administered by Volkswagen Commercial Vehicle Financial Services. Warranty administered by Volkswagen Commercial Vehicles UK. Roadside assistance administered by AA.

---

## Commerce Plus (over Commerce TDI)

---

### Exterior features

Steel spare wheel 215 / 65 R16 C, without tire pressure sensor, with jack; for 4Motion engines Temporary spare wheel 155 / 70 R17 with jack

Mud flaps in front and rear

Body-coloured add-on parts and body-colored radiator grille

Body-coloured bumpers in front and rear

Body-coloured exterior mirror housings and door handles

---

### Cab area

Leatherette-wrapped multi-function steering wheel

Gear lever in leatherette (for manual engines)

Selector lever for automatic transmission on steering wheel

---

### Safety and driver assistance

Anti-theft alarm system, interior monitoring, backup horn, and towing protection

Keyless Start with SAFELOCK

Parking sensors front and rear

Rear view camera

---

## Commerce Plus BEV (over Commerce TDI)

---

### Exterior features

Tyre mobility kit in lieu of spare wheel:12-volt compressor and tyre sealant

All-season tyres

---

### Cab area

Heated seats, individually controllable

Single-zone air conditioning system with automatic control in cab

---

### Safety and driver assistance

Heat pump

Electromechanical brake booster

Electric auxiliary heater (for BEV and PHEV)

Single-tone horn

---

## Commerce Pro (over Commerce Plus TDI)

---

### Exterior features

16" silver alloy wheels "Montreal"

Anti-theft wheel bolts

Exterior mirrors, power-adjustable, heated and power-folding

Laminated windshield made of heat-reflecting glass, heated

---

### Cab area

Heated seats, individually controllable

Glasses compartment in roof on driver side, roof grab handle on front passenger side

Grab handle on passenger side, A-pillar

Single-zone air conditioning system with automatic control in cab

---

### Cargo area

12-V outlet on D-pillar at the bottom, rear right

3 additional super-bright LED lights in load compartment

---

### Infotainment and technology

Wireless mobile phone charging

3x add. 15-W USB-C charging ports - 1x storage comp.

in fr. of steering wheel, 1x glove comp., 1x int. rearview mirror

---

### Safety and driver assistance

Adaptive Cruise control system with predictive speed limiter (includes Traffic Jam Assist on automatic gearboxes)

Electromechanical brake booster

Front collision warning with braking, including Cross Traffic Assist, oncoming vehicle braking and swerve support

Lane Assist with Blind Spot Assist and exit warning system

Parking sensors front and rear, with manouver braking

Dynamic Road Sign Display and wrong-way driver warning

---

## Commerce Pro BEV (over Commerce Plus TDI)

---

### Exterior features

Tyre mobility kit in lieu of spare wheel:12-volt compressor and tyre sealant

All-season tyres

---

### Cab area

Leatherette-wrapped multi-function steering wheel, heated

---

### Safety and driver assistance

Heat pump

Electromechanical brake booster

Without alternator

Electric auxiliary heater (for BEV and PHEV)

Single-tone horn

1 These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. Other factors including Gross Vehicle Weight, trimline, extra equipment, options and accessories (wheels, tyres, etc.) may change vehicle parameters such as the weight, rolling resistance of the tyres and the aerodynamics and thus influence the fuel consumption, CO<sub>2</sub> emissions and driving performance values.

2 Maximum combination weight (vehicle plus trailer load) applies. Maximum gross vehicle weight will vary depending on a number of factors, including optional features, accessories fitted, engine selection and vehicle load. Maximum combination weight and, therefore, maximum gross trailer load is dependent on maximum gross vehicle weight and will vary. Please consult your authorised Volkswagen Van Centre for further information.

3 Unladen weight includes approximately 90% fuel load and 75kg for driver.

4 Payload = gross vehicle weight minus unladen weight (including driver). Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Roof load limit: 100kg (with two roof carriers) or 150kg (with at least four roof carriers) for normal roof only. Trailer nose weight: 100kg.

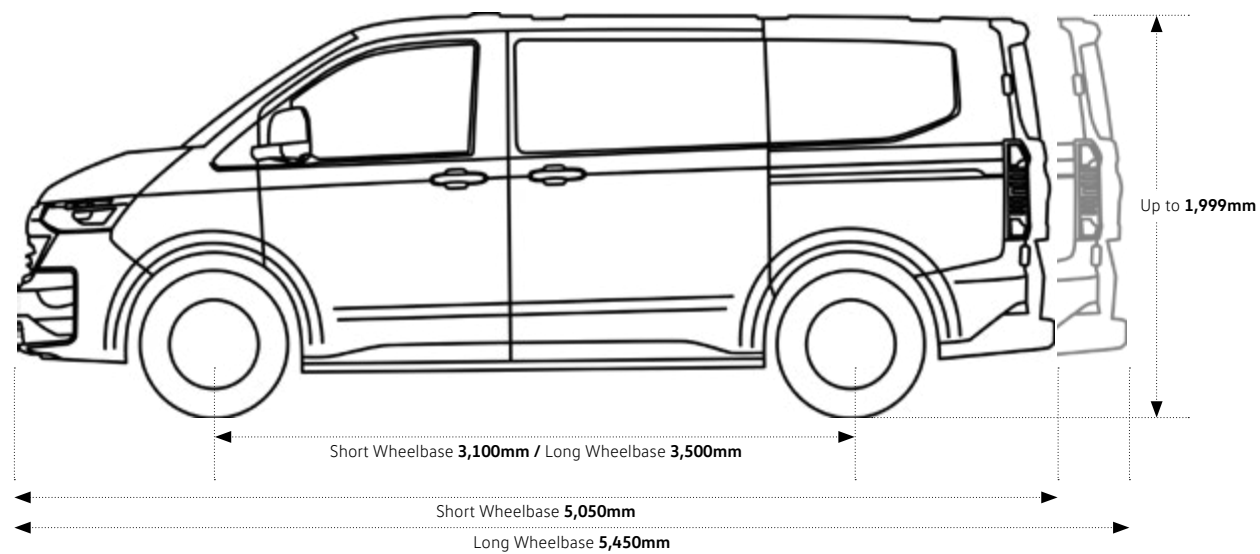

5 Please note these models are only available from stock and not available to factory order. Please contact your local Van Centre for availability.

# Panel van dimensions

Roof height		SWB, normal roof	LWB, normal roof
Wheelbase		3,100	3,500
Vehicle	length, mm	5,050	5,450

\*On the road (OTR) package for electric variants includes: Delivery to Van Centre £760.00, number plates £20.00, VAT £156.00, first registration fee £55.00. Basic OTR price (exc. VAT) is £835.00. Total OTR price (inc. VAT) is £991.00.

\*\*The Plug-in Van Grant (PiVG) is a grant currently offered by the Office for Zero emission Vehicles (OZEV) to eligible manufacturers to promote the purchase of ultra-low emission vehicles. The e-Transporter is currently pending eligibility approval for this scheme. If the e-Transporter becomes eligible for the PiVG, then customers purchasing an e-Transporter will receive 35% off the purchase price, up to a maximum of £5,000 (subject to an overall limit of 1000 van or truck grants per business or organisation, across all manufacturers, each year being 1 April – 31 March. The £5,000 grant has already been deducted from the 'Total RRP inc. OTR inc. VAT inc. Plug-in Van Grant (eligibility pending)' price shown (and therefore the recommended 'On the road' price will increase in the event that grant funding is ultimately not applicable, withdrawn, or eligibility for the grant or the grant amount changes, for any reason, or the annual limit is exceeded). Your authorised Volkswagen Van Centre will submit the details of your order online in order to claim the grant funding. The grant is subject to full T&Cs and eligibility requirements. For more information, please contact your authorised Volkswagen Van Centre or visit [www.gov.uk/plug-in-car-van-grants/overview](http://www.gov.uk/plug-in-car-van-grants/overview). The Government Plug-in Van Grant (PiVG) is applicable to UK sales only (excludes the Channel Islands or Isle of Man). Vehicle eligibility and grant figure correct as at 15.01.2025.
